UNM-LA will host Scholarship Fundraiser

In case you have not heard, UNM-Los Alamos will be hosting a scholarship fundraiser at Central Avenue Grill on April 16, 2011. Proceeds from the fundraiser will provide scholarships to UNM-Los Alamos students and thus assist them in successfully completing their educational goals.

“UNMLA serves both traditional and non-traditional students. Many of our adult students do not have the same scholarship options as our students entering college directly after high school graduation. Scholarship funds will support both our recent high school graduates and our returning adult students” said Director of Student Services Dr. Pat Boyer.

The evening begins at 6pm on Saturday April 16 at The Central Avenue Grill with a social hour that includes live jazz music and finger foods. Dinner begins at 7:00 p.m. During dinner things liven up when many beautiful items will be auctioned off. Highlighted auction items include a Painting donated by Sec Sandoval and a week at Rich Kraemer’s condo in Maui.

Tickets may be purchased by table, half-table or individually. Due to UNMLA’s low tuition – sponsors buying a table of 8 for \$1000 supports one full-time and one half-time student at UNMLA with a tax deduction of \$696. Higher level tables are available in addition to single tickets at \$125. Tickets may be purchased through the cashier in Building one on UNMLA campus. For more information please call Pat Boyer at 661-4692 or email her at patboyer@unm.edu.

“This is a great opportunity to support UNM-LA students,” Boyer said. “The event will be a lot of fun and will help UNM-LA continue to provide financial aid to support students in their educational endeavors.”
