### Mathematics & Statistics

**Links in Learning II**—Participate in a learning community in which you will explore common topics in Undergraduate Studies (ARSC 198) and Math (MATH 100.) Students in the Learning Community will take both classes and work together in the classes on common projects and assignments. The instructors of the two classes will work closely to coordinate and integrate the courses.

To register for Links in Learning II see ARSC 198 Section 305 and MATH 100 Section 301.

**Any student taking MATH 099 or Math 100 must also take ARSC 198**
