

Flip Chart Notes from Sept. 7, 2007 All Staff & Core Faculty Meeting

Dream Campus – What would it look like?

1. Fun! – which equals Less Stress.
2. We would serve as models for life-long learners. We would excite students to become life-long learners.
3. We'd get prepared students.
4. We'd laugh at ourselves, and not take ourselves too seriously.
5. We'd have a Can Do attitude.
6. There would be internal support. We'd support each other, recognizing that we are interrelated, like a web.
7. We'd relate and communicate.
8. We'd be the FISH – a school of fish that respond to each other.
9. We'd be proactive.
10. We'd connect Faculty and Staff.
11. We'd smile and make eye contact.
12. We'd have color and great snacks on campus.
13. We'd have voice mail that works, and real people to answer the phone.
14. We'd have a Welcome Desk.
15. We'd each be willing to take the lost to where they need to be.
16. We'd be wireless.
17. We'd play
18. We'd get the training we need to do our jobs.
19. For staff areas, we'd have pictures and titles posted, so people know whom our staff members are.
20. We'd have such rich connections and interchanges that we'd have more speakers, projects, and engagement across the community than we can handle!!!
21. We'd have more opportunities to work with other schools and exchange ideas, insights, projects.
