

APPLICATION FOR Workforce Innovation in Regional Economic Development (WIRED) COMMUNITY COLLEGE SCHOLARSHIP PROGRAM

The New Mexico WIRED Project is generously funded by the United States Department of Labor. The New Mexico WIRED Community College Scholarship Program is a partnership among the New Mexico Department of Workforce Solutions and New Mexico's Higher Education Institutions.

The New Mexico WIRED Community College Scholarship Program provides funds to pay for tuition, books and other educational expenses as needed, for students enrolled in programs related to aerospace/aviation, green construction, microelectronics, optics, or renewable energy as identified at the colleges listed below.
