

The University of New Mexico- Los Alamos at Bernalillo Mentoring Program

Do you have valuable feedback that would benefit first-year UNM-LA (Bernalillo) students? What courses did you enjoy that you would recommend to other? We are pleased to announce the creation of the UNM-LA (Bernalillo) Mentoring Program! In many cases, students struggle their first semester and because of this, we are asking for your help in mentoring a first-year student through the first part of their academic careers. Through your experiences, we would like to draw from them in highly influencing future UNM-LA (Bernalillo) graduates! If you are interested in the mentoring program, please fill-out the form below and return it to Joseph Moreno as soon as possible. Call (505) 771-4071 with further inquiries.
